- ☐ Credit card on file
- ☐ Email
- ☐ Mail
- ☐ Pay upfront in cash/check and save 5% for services over $500

I understand that I (or guardian signed below) have the primary duty to pay my doctor for services even though a portion of the fees may be payable or reimbursable by an insurance company or other third party payer.

I understand that the determination of the dental care to be given to me by my doctor and the fees to compensate for that care are matters between my doctor and myself. These fees are due at the time that services are rendered; any balance due longer than sixty (60) days from the date of service will be assessed at the rate of 1.5% per month as a service charge.

I hereby authorize Noah H. Rosen, DMD, to release my insurance company or other third party payer or its representative any information including the diagnosis and the records of any treatment or examination rendered to me.
